Apéritifs

Getting started is easy. Break the ice with drinks before your celebration. This can be in various locations on our attractive Seehotel premises: in the lobby or hotel lounge, outdoors on the lawn, on the lakeside landing stage itself or in the romantic garden by the lake. We will be pleased to arrange a round trip with drinks for you on the lake. Our documentation contains a variety of suggestions that are bound to whet the appetite.

Dinner

A dinner is the highlight of any banquet. Our documentation contains a selection of dinner options that can, of course, be adapted and used in any combination. All dishes are therefore priced individually. We will be pleased to assist.

Our kitchen team will be happy to include vegetarians and people with special dietary needs when compiling your dinner menu. Please let us know in advance.

Beverages

Our wine cellar undoubtedly has the right wine for your dinner and selected either by you or by our wine connoisseurs.

If you prefer to bring your own wine, there is a corking charge of CHF 35.00 per 75cl bottle and CHF 45.00 per 75cl bottle for champagne. Digestives, fruit brandies from the region or cocktails are all available on request. Or the host can offer drinks from the bar that we stock to your requirements and set up in the ballroom.
